*Hello. I am writing in regards to the ERSRI pension administration solution. In 2014 we submitted a records request for the contract for the provision of ERSRI's pension benefits administration system and were provided with the system license agreement with Complete Business Solutions, Inc. (CBSI) that was signed on 2/9/2000. However, I have recently found a request for proposals for an SaaS Pension Administration Solution that was released in June 2011 (2011-001). Can you provide clarifying information regarding the relation of the license agreement and the 2011 RFP? Did the 2011 RFP replace the previous license agreement? If so, I would like to request contract award documents for RFP 2011-001.*
