SUBJECT: Approval of Modifications Nos. 4 and 5 of the OASI Coverage Agreement with the State of Rhode Island

Enclosed are Modifications Nos. 4 and 5, each in duplicate, of the OASI coverage agreement with the State of Rhode Island. The modifications were signed by the appropriate State official, Raymond H. Hawksley, General Treasurer, on behalf of the State of Rhode Island. Execution of the original agreement with the State of Rhode Island was completed in the State on December 20, 1951.

Modification No. 5 seeks to move forward the effective date of coverage for the Town of East Providence. This entity was listed for coverage in the appendix to the original agreement and coverage is shown to be effective as of July 1, 1951. The Town desired coverage as of October 1, 1951. There is attached to the original copy of this proposed modification a copy of the Town's resolution of November 13, 1951, which provides for the payment of contributions from October 1, 1951. A letter of explanation from the State official is also enclosed.

Modification No. 4 seeks to move forward the effective date of coverage for the City of Newport, which was also listed for coverage in the appendix to the original agreement. Coverage was shown to be effective as of April 1, 1951. The Ordinance authorizing coverage for the employees of the City indicated August 9, 1951, as the effective date. A copy of this ordinance is attached to the original copy of the proposed modification as well as a letter, explaining the error, from the State official.

In transmitting these proposed modifications to us, the regional representative stated that both he and the regional director had reviewed in detail the situation and were convinced of the merits of the requested changes. He also requested notification by wire of the action taken on the modifications.

It is recommended that the Director approve, date and sign the enclosed Modifications Nos. 4 and 5, each in duplicate, pursuant to the authority delegated by the Administrator, and that the enclosed
