Re: Daniel Torregrossa Volunteer Service

September 28, 2011

Ms. Baronian,

In reference to your departments request for verification of volunteer service for Daniel Torregrossa, this department only has complete records of those members who were on the Call System from 1975 - 1989. Those individuals who served during those years as volunteers, but not as part of the Call System, we do not have records of in most cases.

However, I can confirm to you that Donald Martone was the District Chief of the North Providence Fire Department Station 2 during the call system years, and I am in receipt of a letter from him affirming that Daniel Torregrossa was a volunteer at that station from January 1982 through January of 1989.

If you require any further information, feel free to contact me at anytime.

Re: Daniel Torregrossa Volunteer Service

November 3, 2011

Ms. Baronian,

There has been some confusion over the volunteer and call system time for Daniel Torregrossa. In my last communication dated September 28, 2011, I was only asked to validate volunteer time from January 1982- January 1989. I do not have the records to validate that; however, I forwarded a letter from the former District Chief Donald Martone. Since then, I was informed that letter was insufficient. Therefore, I notified Firefighter Torregrossa that he would have to produce log book entries or other official records to validate any time that is not in the Departments official records.

With that said, Daniel Torregrossa does have service time in the Department records, but I was not asked to produce documentation of that. I was only asked about 1982-1989. To clarify this issue, the following is the exact Department records for both Call System and Volunteer time that is on file with the North Providence Fire Department:

<u>Time Frame</u>	<u>Type of Service</u>	<u>Remuneration</u>
July 1, 1973 - June 30, 1975	Volunteer	no pay
July 1, 1975 - December 31, 1975	Call System	166.67
January 1, 1976 – June 30, 1976	Call System	200.00
July 1, 1976 – December 30, 1976	Call System	250.00
January 1, 1977 – June30, 1977	Call System	250.00
July 1, 1977 – December 31, 1977	Call System	314.40
January 1, 1978 – June 30, 1978	Call System	308.63
July 1, 1978 – December 31, 1978	Call System	325.00
January 1, 1979 – June 30, 1979	Call System	372.00
July 1, 1979 – December 30, 1979	Call System	438.00
January 1, 1980 – June 30, 1980	Call System	419.50
July 1, 1980 – December 31, 1980	Call System	449.50
January 1, 1981 – June 30, 1981	Call System	449.50
July 1, 1981 – December 30, 1981	Call System	227.30
January 1, 1989 – June 30, 1989	Call System	799.60
July 1, 1989 – August 31, 1989	Call System	391.95

In conclusion, the Fire Department records show that Daniel Torregrossa was a volunteer, and then a call system member for a total of 9 years and 2 months. If any documentation should surface about the time frame from January of 1982 through December of 1988, I will at that time provide you with any and all information.

If I may be of further assistance, please contact me anytime.
