Any employment or re-employment may begin no earlier than 30 days after retirement.

Rhode Island General Law allows members who retired under the provisions of Title 16, 36, or 45 to be employed or re-employed by any municipality within the state, with certain restrictions. Only one type of employment is allowed.

ERSRI or MERS retirees may work for a participating municipality for no more than 75 working days or 150 half-days in any calendar year. For MERS retirees working for a school department, days shall be counted according to a school year from September 1st through August 31st.
