**VOTED: To approve the Minutes of the August 28, 2002 Regular Meeting.**

Proposed Alternative Investment – Lumina Ventures, L.P. Ms. Caine noted that there were two proposed alternative investments coming before the Commission today. Both funds are being brought before the Commission for consideration based on the experience of the management teams and strong performance track record. Mr. James Thomas, Managing Partner, Mr. Peter McNerney, Managing Partner and Ms. Karen Boezi, Managing Partner represented the fund.

Mr. Thomas explained that Lumina Ventures, L.P. ("Lumina") is being formed by Thomas, McNerney & Partners, LLC to make venture capital investments in health care companies, with a focus on the life sciences and medical technology sectors. Specific areas of emphasis will include biotechnology, medical devices, pharmaceuticals and other forms of medical product innovation. Target size of the fund is \$250 million and the general partners have committed \$10 million.

Mr. McNerney noted that the partnership intends to assemble a diversified portfolio by investing in companies at all stages of development and across the sectors of the life services and medical technology industries. The fund will invest in 20-25 portfolio companies with a targeted investment range of \$10-\$15 million per investment. The fund will target a gross compound annual IRR of at least 35%.

Ms. Boezi stated that the health care market is the largest segment of the US economy and that a multi-state, multi-sector approach enables pursuit of most attractive returns. Mr. Thomas noted Lumina has a strong track record with \$1.3 billion distributed value and \$607 million of undistributed public market value.

Mr. Thorsen moved, Mr. Costello seconded and the following motion was passed unanimously. The following members voted in favor: Mr. Costello, Sen. DaPonte, Ms. Gallogly, Dr. McKenna, Ms. Reback, Mr. Thorsen, Mr. Whitty and Treasurer Tavares.

**VOTED: To invest \$15 million in Lumina Ventures, L.P. contingent upon satisfactory review and negotiation of investment and other legal documents.**

Proposed Alternative Investment – Wellspring Capital Partners III. Mr. Greg S. Feldman, Managing Partner and Mr. David C. Mariano, Managing Partner represented the fund. Mr. Feldman stated that Wellspring Capital Partners III (“Wellspring”) is being organized by Wellspring Capital Management LLC to make value-oriented investments in middle market special situations and restructurings with enterprise values ranging from \$75 million to \$750 million in the United States and Canada.

Wellspring is opportunistic and evaluates investment opportunities in a wide range of industries specifically targeting undermanaged or under-performing companies that operate in sectors with attractive industry dynamics. Wellspring is targeting a total fund size of \$500 million. The fund will target a gross compound annual IRR of at least 30%.

Mr. Feldman noted that the first investment in this fund will be in a food distribution company. Mr. Mariano stressed Wellspring’s uncommon deal flow from a variety of nontraditional sources. He noted that the fund will target certain specific characteristics in investment opportunities such as strong brand names and franchises, strong market position with fragmented competition, repeating revenue base with long-term growth potential, attractive gross margins, the ability to service moderate to high degrees of leverage, and attractive purchase price multiples.

Ms. Reback moved, Sen. DaPonte seconded and the following motion was passed unanimously. The following members voted in favor: Mr. Costello, Sen. DaPonte, Ms. Gallogly, Dr. McKenna, Ms. Reback, Mr. Thorsen, Mr. Whitty and Treasurer Tavares.

**VOTED: To invest \$20 million in Wellspring Capital Partners III contingent upon satisfactory review and negotiation of investment and other legal documents.**

Pacific Corporate Group – Private Equity Portfolio Review and Recommended Allocations. Mr. Peter Martenson represented Pacific Corporate Group (“PCG”). He noted that the Fund’s allocation to alternative investments is 7.5% and approximately 5% has been committed to date. He noted that the portfolio’s current target allocations to international investments is 0-10% with an allocation of 10.1% as of 3/31/02. The fund’s current allocation of 0-10% in international investments is below the average to international commitments for public pension funds. PCG’s recommendation is to raise the international allocation range to 5-15%, which is more comparable to that of its peers.

The proposed commitments were selected in order to manage the 7.5% allocation by strategy. PCG recommends the following: 1) increase international corporate finance target to 5-15% from 0-10%; 2) decrease international special situations to 0-5% from 0-10%; and 3) adjust the overall international target to 5-15% from 0-10%.

In the corporate finance sector, PCG plans to recommend a \$15 million investment in Green Equity at the October 2002 SIC meeting. In the special situations sector, PCG also plans

to bring to the Commission two additional funds, Landmark Equity Partners XI in October 2002, and Avenue Special Situations III in November 2002.

Mr. Thorsen moved, Mr. Costello seconded and the following motion was passed unanimously. The following members voted in favor: Mr. Costello, Sen. DaPonte, Ms. Gallogly, Dr. McKenna, Ms. Reback, Mr. Thorsen, Mr. Whitty and Treasurer Tavares.

**VOTED: To approve Pacific Corporate Group's recommended target sector allocations as indicated in their memo dated July 15, 2002.**

Legal Counsel Report. Treasurer Tavares reported that Mr. Hodgkin had had an emergency appendectomy last week and was recovering at home.

Consultant Report – Wilshire Associates Incorporated. Mr. Bensur gave a brief fixed income analysis regarding Fleet Investment Advisors. He reported that historically, active core fixed income managers were expected to generate excess returns in the 50-75 basis point range. However, in this low interest rate environment, return premiums for fixed income managers are at very modest levels. Therefore, he recommended modifying Fleet's guidelines to reflect an expected return premium of 20 basis points rather than 25 basis points.

Mr. Bensur discussed revisions to the asset allocation assumptions. He noted in studying asset classes that you have to take into consideration the following: expected returns for various asset classes forecasted forward; expected risk levels; and the correlation/relationship between those asset classes. He noted the yield on the Lehman Aggregate Bond Index continues to fall as investors move money from stocks to bonds.

Mr. Bensur noted that in a normal environment the more risk you take, the more return you get. However in the last three years, the lower expected returning asset class – bonds – with corresponding low risk, have been the best performing asset class by far. He stated that portfolios are built with beliefs that stocks will eventually outperform bonds once again, bonds will outperform cash, and cash will stay ahead of inflation.

Mr. Bensur then gave his Capital Market Update, noting the Fed funds rate at 1.75% is unchanged so far in 2002. The 10-year Treasury is below 4% with a 40-year low in interest rates. The war with Iraq is considered an economic factor. Small stocks are modestly outperforming large stocks. Value stocks have outperformed growth stocks. Nasdaq is down 40% and the overall market is down 25%

Deputy Treasurer for Finance Report. Ms. Caine stated that on a positive note, while both domestic and international stocks are in negative territory, international stock returns are better than 600 basis points ahead of domestic equities calendar year-to-date.

Due to the November and December meeting dates falling during holiday weeks, Commission members decided to hold a combined meeting in early December. Members will be polled to find an acceptable date.

Dr. McKenna moved, Ms. Reback seconded and the following motion was passed unanimously. The following members voted in favor: Mr. Costello, Sen. DaPonte, Ms. Gallogly, Dr. McKenna, Ms. Reback, Mr. Thorsen, Mr. Whitty and Treasurer Tavares.

**VOTED: To adjourn the meeting.**

There being no further business, the meeting was adjourned at 11:05 a.m.

Respectfully submitted,

Paul J. Tavares  
General Treasurer
