Regular Meeting May 28, 2003

A State Investment Commission meeting was held in Room 135, State House, Providence, Rhode Island on Wednesday, May 28, 2003. There being a quorum present, the Treasurer called the meeting to order at 9:10 a.m.

Membership Roll Call. Present were: Mr. J. Michael Costello, Senator Daniel DaPonte, Ms. Rosemary Booth Gallogly, Dr. Robert J. McKenna, Mr. James E. Thorsen, Mr. William J. Whitty, and General Treasurer Paul J. Tavares. Also present were: Ms. Joan M. Caine, Deputy Treasurer for Finance, Mr. David Lindberg of Wilshire Associates Incorporated, Consultant to the Commission, Mr. Peter Martenson of Pacific Corporate Group, Alternative Investments Consultant to the Commission, Jayne Donegan, Esq., Legal Counsel to the Commission and other members of the Treasurer's Staff. Absent was: Ms. Marcia Reback.

Treasurer Tavares announced that Mr. J. Michael Costello had been re-appointed as a member of the Commission and welcomed him.

State Investment Commission Minutes. Dr. McKenna moved, Mr. Thorsen seconded and the following motion was passed unanimously. The following members voted in favor: Mr. Costello, Sen. DaPonte, Ms. Gallogly, Dr. McKenna, Mr. Thorsen, Mr. Whitty and Treasurer Tavares.

VOTED: To approve the Minutes of the April 23, 2003 Regular Meeting.

Investment Manager Review – Wasatch Advisors, Inc. (“Wasatch”). Mr. David Lindberg of Wilshire Associates Incorporated gave a brief overview of Wasatch. He noted that Wasatch was retained in March of 2002 to provide the Rhode Island Employees' Retirement System (“RIERS”) with a long-term, strategic allocation to the small stock/growth-oriented segment of the US equity market. Market value as of 3/31/03 was \$112.2 million, which represented approximately 5.1% of the equity composite and approximately 2.3% of the total fund.

Ms. Kitty Swenson, Vice President and Director of Client Relations and Mr. J.B. Taylor Co-Portfolio Manager represented Wasatch. Ms. Swenson reported that Wasatch has \$5.9 billion in assets under management as of 4/30/03 and approximately \$1.9 billion in small cap core growth. Mr. Taylor explained that he co-manages the portfolio with Mr. Sam Stewart. The portfolio contains approximately 35-55 positions in high quality primarily core stocks.

Mr. Taylor stated that Wasatch has a team approach whereby the team conducts the research, the portfolio manager creates the model portfolio and the client manager customizes the model to the client. The portfolio is built from the bottom-up approach. It is overweighted in consumer services, healthcare, and financial services and underweighted in technology. Despite out-performance in March, Wasatch portfolios have underperformed.

Investment Manager Review – Columbia Management Company (“Columbia”). Mr. Lindberg of Wilshire Associates Incorporated gave a brief overview of Columbia. He noted that Columbia was retained in March of 2002 to provide a strategic allocation to the small stock/growth-oriented segment of the US equity market. Market value as of 3/31/03 was \$114.1

million, which represented approximately 5.2% of the equity composite and approximately 2.4% of the total fund.

Mr. Roger N. Begin, Director of Institutional Investment Services, Mr. Colin Moore, Head of Active Equity, and Mr. Keith Banks, Chief Investment Officer represented Columbia. Mr. Banks attended the meeting to discuss some key personnel changes within the fixed income portfolio that Columbia manages for the RIERS. He explained that Mr. Mark Marinella who joined the firm six months ago and was the head of fixed income, has left the firm. Ms. Marie Schofield is still the Portfolio Manager and they are in the process of a national search to replace Mr. Marinella.

With regard to the small cap portfolio, Mr. Moore noted that the first quarter of 2003 the portfolio returned 0.54%. In comparison, the Russell 2000 Growth Index posted a decline of -3.88% and the broader Russell 2000 Index dropped -4.49%. Larger cap stocks tended to outperform smaller cap stocks while growth styles edged out value.

Mr. Moore further noted that the portfolio outperformed due to its focus on bottom-up stock selection. The healthcare, energy and industrials sectors proved to be the greatest contributors to the fund's total return. The portfolio is maintaining an overweight position in healthcare, as Columbia expects compelling performance in the coming months. The fund is also overweighted in the energy sector, which posted strong gains. The fund is underweighted in the financials sector.

Proposed Alternative Investment – Alta BioPharma Partners III, L.P. (“ABP”). Mr. Peter Martenson of Pacific Corporate Group stated that ABP is being formed to invest in later-stage private and emerging public life sciences companies with significant growth capital appreciation potential. The pension fund has previously invested in Alta BioPharma Partners, L.P.

Mr. Daniel Janney, Managing Director and Ms. Farah Champs, Managing Director represented ABP. Ms. Champs noted that ABP focuses only on life sciences and its most dynamic sectors which are biopharmaceutical products, biotechnology, medical technology and specialty pharmaceuticals. She stated that the later-stage life sciences companies need additional capital as well as operational and financial guidance. She explained that there are numerous breakthrough products that are poised to continue to transform medicine in the areas of asthma, diabetes, cancer, etc. Many products are in late-stage clinical trials and many more in clinical development.

ABP's strategy includes identifying products that will be validated in the clinic during the holding period. They focus on products addressing major unmet medical needs and products that are first or highly competitive within their class with clearly defined mechanisms of action. They employ team due diligence and team decision making. Approximately 10-15% of the portfolio is invested in Europe. ABP I had a gross IRR of 36.4% and ABP II had a gross IRR of 22.5%.

Mr. Thorsen moved, Sen. DaPonte seconded and the following motion was passed unanimously. The following members voted in favor: Mr. Costello, Sen. DaPonte, Ms. Gallogly, Dr. McKenna, Mr. Thorsen, Mr. Whitty and Treasurer Tavares.

VOTED: To invest up to \$15 million in Alta BioPharma Partners III, L.P. contingent upon satisfactory review and negotiation of investment and other legal documents.

Crossroads Providence. Ms. Caine gave an overview of an investment made in 1988 in Crossroads Providence (“Crossroads”) which is a fund-of-funds with a venture capital focus. She explained that Pacific Corporate Group (“PCG”) had taken over the monitoring of the investment in the last few years. She noted that the fees, which had originally been less than 1%, had risen to approximately 7% and that the liquidation of remaining investments had become prolonged. With PCG’s assistance, along with the assistance of Mr. William Dolan of Brown Rudnick Berlack Israels, an experienced litigator, the RIIERS was able to negotiate a satisfactory resolution to issues of concern – expenses, and liquidation – with this fund.

Mr. Martenson of PCG noted that RIIERS capital commitment was \$45 million (99%) and that the general partner had committed \$45,000 (1%). The original term expired 12/31/00 and was extended until liquidation. Certain accounting, administrative, and risk management services as well as research and communication are provided and charged to the RIIERS by entities affiliated with the general partner. As of 6/30/02 total expenses were running 7.2% of average net assets, up from 1% in 1995, and 1.2% of committed capital. Ms. Caine and Mr. Martenson believed that the fees were onerous given that the fund should have been in liquidation.

PCG, Brown Rudnick and Treasury Staff researched and identified several options to prevent the payment of excessive fees and worked on potential solutions as well as legal hurdles in re-negotiating the terms and conditions as well. The outcome includes Crossroads distributing the remaining cash of nearly \$2.5 million to the RIIERS. The remaining assets are to be transferred to a liquidating trust, which will save the RIIERS approximately \$400,000 per year in fees. The RIIERS will now pay a management fee to Crossroads not to exceed \$45,000 per year. Ms. Caine noted that a two-year liquidating trust agreement has been signed. Treasury staff will be monitoring the investment closely.

Alternative Investment Policies and Procedures. Mr. Martenson noted that the change in the Alternative Investment Policies and Procedures included increasing the international commitment target range from 0%-10% to 5%-15%. The Treasurer noted that a copy of the document would be included in June’s mailing and would be on the agenda for a vote at the June meeting.

Consultant Report – Wilshire Associates Incorporated. Mr. Lindberg gave his Capital Market Update noting that some of the uncertainty regarding the war and terrorism has been lifted. He stated that the federal funds rate at 1.25% held steady on May 6th. He noted that several positive earnings announcements have helped the market recently. Large value stocks have outperformed large growth stocks year-to-date. US equity markets were down -3.2% during the first quarter but are up 12% through 5/27/03. The S&P 500 year-to-date is up 8.9%, Nasdaq is up 16.5%.

Deputy Treasurer for Finance Report. Ms. Caine noted that April was a good month, bringing the fund up 6.5% which has brought the fiscal year returns from -9% to -3%. She reported on the 457 Deferred Compensation Plan noting that the participation rate is approximately 33%. Aetna, as the original provider, still holds most of the participants. Market value at 12/31/02 was approximately \$133 million. As a plan enhancement, Fidelity has recently provided on-line portfolio modeling capabilities for participants at no cost to the plan or its participants.

Ms. Caine reported regarding the issuance of a Real Estate Request for Proposals (“RFP”). She indicated that an RFP for a dedicated real estate consultant is appropriate given the plan’s limited resources. She requested the Commission consider issuing an RFP with two

components. The first component would involve an implementation phase whereby respondents (consultants) would quote a fee for the implementation, which would encompass determining the appropriate mix of real estate assets (RIETS, cores, and opportunistic funds). The second part of the RFP would be for the ongoing monitoring phase. The RFP request would request two separate fee quotes for the two separate projects.

Mr. Costello moved, Ms. Gallogly seconded and the following motion was passed unanimously. The following members voted in favor: Mr. Costello, Sen. DaPonte, Ms. Gallogly, Dr. McKenna, Mr. Thorsen, Mr. Whitty and Treasurer Tavares.

VOTED: To authorize the Office of the General Treasurer to issue a Request for Proposal for a Real Estate Consultant.

Mr. Thorsen moved, Mr. Whitty seconded and the following motion was passed unanimously. The following members voted in favor: Mr. Costello, Sen. DaPonte, Ms. Gallogly, Dr. McKenna, Mr. Thorsen, Mr. Whitty and Treasurer Tavares.

VOTED: To adjourn the meeting.

There being no further business, the meeting was adjourned at 11:10 a.m.

Respectfully submitted,

Paul J. Tavares
General Treasurer
