Dear Frank:

**RE: Amendment to our payroll solution provider in respect of the Administration System Modernization of Employees' Retirement System of Rhode Island (ERSRI)**

Morneau Shepell is pleased to confirm our partnership with Ceridian for the provision of payroll software and services that meet ERSRI's payment requirements set out in your Technical Proposal (RFP # 2011-001). This decision to change our payroll sub-contractor from ADP to Ceridian was driven by contractual requirements of the ERSRI, which ADP was unable to meet the terms of, thus necessitating a review of the payroll provider. We are also pleased to confirm that this change in our payroll solution does not change the fees submitted to you for the overall solution.
