III. Chairperson's Report

IV. Executive Director's Report

2026 Board Calendar Update

Executive Director Andrew Roos noted that the 2026 Retirement Board meetings dates' calendar are in the Convene platform.

Board Member Technology Update

Director Roos noted that Justin Miller had been hired as Information Security Officer for both RI Treasury and the Retirement System, a position the Retirement Board had requested. Director Roos noted Mr. Miller will be presenting to the Retirement Board in 2026.

Presentation and Consideration of the Actuarial Valuation as of June 30, 2025 by Gabriel, Roeder, Smith and Company (GRS) for the ERS (State and Teachers), MERS Plans (Municipal Employees), State Police (SPRBT), State Police Retirement Fund Trust (SPRFT), Judges (JRBT), Judicial Retirement Fund Trust (RIJRFT) and the Teachers' Survivors Benefit Plan (TSBP)

Director Roos introduced the actuarial firm of Gabriel, Roeder, Smith and Company (GRS) and Mr. Joseph Newton presented the annual actuarial valuations as of June 30, 2025, which set the contribution rates for FY 2028. The current valuation uses the assumptions previously adopted by the Board at the Experience Study in 2023. He noted that the next experience study is scheduled in 2026.

Mr. Newton's presentation included all defined benefit plans. He noted that the total plan assets are approximately \$14.7 billion and that the total liabilities are approximately \$19 billion. Market returns for the year were 8.3%, which exceeded the 7% assumed rate of return. GRS stated that unfunded liability decreased by \$132 million, more than expected.

Mr. Newton updated the Board as to the funded ratio path, with an expectation that the State and Teacher plans would exceed 75% funded in 2029.

Mr. Newton presented statistics and patterns regarding projected payroll and contribution rates for state employees and teachers. He compared ERSRI's contribution rates to other plans as reported by the National Association of State Retirement Administrators (NASRA).

Mr. Newton addressed questions regarding the effect of post-retirement legislation on contributions to the Teacher plan and confirmed that employers are contributing to the funding of the Plan for those exceeding a cap limit of days worked.

Mr. Newton addressed a question from Mr. Palazzo regarding whether figures presented on Slide 22 (Projected Results Under a Stressed Scenario) had been adjusted for inflation and clarified that these figures are actual nominal dollar amounts and confirmed the inflation is incorporated into these calculations.

Mr. Newton summarized by noting that there is a high likelihood that the unfunded liability will decrease, that the Plan will be 75% funded by 2029/2030, and that there will be a decline in contribution rates due to members retiring out of the older plans and being replaced with employees in the new benefit structure. He noted that mortality rates will be reviewed as part of the experience study next year.

Mr. Paul Wood of GRS then discussed the Post-Retirement increase calculation, which occurs annually. Mr. Wood said this number is calculated by using investment return and change in CPI. The 2026 Post Retirement Increase is 3.34%. He identified the groups of retirees who will receive the COLA, the first group being those who retired before July 1, 2012 who will receive that full statutory COLA. He noted that for those retiring after June 30, 2012, the benefit adjustments are reduced to 25% of the Post Retirement Increase payable each year while the plans remain less than 75% funded.

Mr. Wood presented a summary of the MERS plan over the past fiscal year. He discussed the unfunded liability metric (not including Legacy plans), which is down approximately \$50 million. The aggregate funding ratio is approximately 90%. He reviewed the aggregate contribution rates for the MERS plans.

Mr. Wood presented a summary of MERS Legacy Units. He noted that these plans are separated out because of their high unfunded liability. He confirmed these units are contributing the recommended flat dollar amount and said that there is improvement in the unfunded status - 30% last year - which has now increased to 33%.

Mr. Wood presented a summary of the *Judges Plan* (JRBT), which is 106.3% funded. He stated the unfunded liability increased from last year because this year it incorporates the liability from the group of members who has lower final average compensation periods.

Mr. Wood presented a summary of the *State Police Plan* (SPRBT). He said they gained 18 new members due to a new recruiting class (done every 7 years). Their UAAL increased by \$2.6 million, but this year it incorporated the liability from the select group of members whose pensions are based on the highest 3 years vs the highest 5 years. He noted the 88.4% funded ratio was largely unchanged from the prior year, even with the benefit change.

Mr. Wood presented a summary of the *Teachers' Survivors Benefit Plan* (TSBP) plan, which is over 200% funded. Employees contribute a flat dollar amount and there are no additional contributions required for this plan.

Mr. Wood presented a summary of the *State Police Plan* (SPRFT), formerly known as Paygo State Police. This plan, currently funded at 26.4%, is expected to be fully funded by 2034. Yearly this plan receives \$16,387.92 in Google settlement funds until fully funded.

Mr. Wood presented a summary of the *Contributing, Paygo Judges Plan* (RIJRFT). There are 7 members of this plan who have no advanced funding. The liabilities are calculated at a discounted rate for reporting purposes by *Governmental Accounting Standards Board* (GASB) standards. A nominal asset amount is used to pay benefits as they are owed.

Overall, Mr. Wood stated that the plan in place is working out well and that it appears the plans are on track to meet the objectives set out in the statute. Ms. Li asked whether GRS saw anything in their evaluation regarding where ERSRI can improve. Mr. Newton stated that it is difficult to implement any pension plan changes immediately and noted that the effects the Board is seeing today were due to changes put in place 15 years ago. He stated that increased contributions would speed up the funding process but doing so would put increased stress on employer budgets.

General Treasurer James A. Diossa thanked both Mr. Newton and Mr. Wood of GRS for their guidance and presentation and thanked the Board for their patience and discipline.

Mr. Rondeau stated the Administration, Audit, Risk and Compliance Committee met on December 10, 2025 to consider the valuations of June 30, 2025 presented by GRS. GRS provided a presentation to the Committee discussing the employee retirement plans for the ERS (State and Teachers), MERS Plans (Municipal Employees), State Police (SPRBT), State Police Retirement Fund Trust (SPRFT), Judges (JRBT), Judicial Retirement Fund Trust (RIJRFT) and the Teacher Survivor Benefits Plan (TSBP) valuations as of June 30, 2025. After discussion and consideration, the Committee voted to recommend to the full Board acceptance and approval of the valuations as of June 30, 2025 as presented.

On a motion duly made by Jean Rondeau and seconded by Mark A. Carruolo, it was unanimously,

VOTED: To accept the recommendation of the Administration, Audit, Risk and Compliance Committee to approve the valuations of the period ending June 30, 2025 for the State Police, Judges, Municipal Employees, State and Teachers, State Police, State Police Retirement Fund Trust, Judicial Retirement Fund Trust, and Teachers’ Survivors Benefit Plan as presented by GRS.

V. Approval of the November 2025 Pensions as Presented by ERSRI

On a motion duly made by Jean Rondeau and seconded by William S. Murray, it was unanimously:

VOTED: To approve the November 2025 pensions as presented by ERSRI.

VI. Committee Reports

Disability Committee

The Disability Committee recommended the following disability applications for approval by the full Board as a result of its December 5, 2025, meeting

Name	Membership Group	Type	Action
1. Kevin Kenney	Municipal	Accidental	Approved
2. Victor Cotto	State	Accidental	Approved at 50%
3. Edward Harris	State	Ordinary	Approved
4. Diane Kemmy	State	Ordinary	Approved
5. Donna Mancini	State	Ordinary	Approved
6. Marissa Moran	Teacher	Ordinary	Approved

On a motion duly made by Dr. Laura Shawhughes and seconded by Claire M. Newell, it was unanimously:

VOTED: To approve the Disability Committee’s recommendations from Friday December 5, 2025 on Numbers 1-6

Dr. Laura Shawhughes introduced the recommendation from the September meeting regarding Kevin Ansley for discussion. Mr. Howard stated that he did not fully understand why the denial occurred. Dr. Shawhughes stated the Disability Committee reviews the IME’s and physician reports but also looks at the wording of the legislation. Dr. Shawhughes stated the wording of the law refers to heart disease, stroke, or hypertension. Doctor Shawhughes stated that Mr. Ansley was already unable to perform the job and that the Committee was therefore unable to say that Mr. Ansley’s new disease was the reason. Mr. Howard stated that all 3 of the doctors stated Mr. Ansley is disabled. Dr. Shawhughes

noted that the Committee did not disagree that Mr. Ansley is disabled. Board Counsel McBurney stated that the Committee determined the presumption does not apply because Mr. Ansley's inability to work was not caused by the installation of the pacemaker. Also, Board Counsel McBurney referred to evidence relied upon by the Committee which noted that the pacemaker was successful and Mr. Ansley has gone back to some level of physical activity. Dr. Shawhughes stated the Committee made this decision because they could not make the connection between Ms. Ansley being unable to work and the fact that he had a pacemaker. Mr. Howard clarified that the Committee found Mr. Ansley's heart problem was not the reason for the disability. Mr. Howard stated that the Committee does not have a right to include where the person resides or travels to in the medical findings. Dr. Shawhughes clarified that this evidence was just illustrative of the fact that Mr. Ansley has been out of work for a number of years and that it did not matter where he resided for their decision. Ms. Newell also noted that the Committee found that Ms. Ansley applied for cancer benefits and was denied.

On a motion duly made by Dr. Laura Shawhughes and seconded by Claire M. Newell, it was:

VOTED: To approve the Disability Committee's recommendations from October 3, 2025 on the matter of Kevin Ansley as referenced in Attachment II.

Matthew K. Howard voted Nay.

VII. Legal Counsel Report

Board Counsel Patrick J. McBurney referred to the litigation report contained in Convene. He stated that the petitioner in the Patricia DuBois matter did file for a writ of certiorari in the Rhode Island Supreme Court and that the opposition will be filed today.

VIII. Adjournment

There being no other business to come before the Board, on a motion by Jean Rondeau and seconded by William S. Murray, it was unanimously voted to adjourn the meeting at 10:38 a.m.

Respectfully submitted,

Andrew Roos

I. MATTERS WITH PROCEDURAL OR SUBSTANTIVE CHANGES

Patricia Dubois v. Employee's Retirement System of Rhode Island

Providence County Superior Court; C.A. No. PC-2024-00731; SU-2025-0367-MP

Plaintiff, a retired Superintendent of the Glocester School Department, appeals the Retirement Board's decision which found that her retirement benefit was appropriately suspended for time that she engaged in post-retirement employment as a superintendent. ERSRI has answered the Complaint and filed the Designation of Record of Administrative Appeal. Both parties' memoranda have been filed and the matter is in the process of being assigned to a justice of the superior court for decision. The matter was assigned to Judge Lanphear for decision. On October 27, 2025, Judge Lanphear issued a written decision upholding and affirming the decision of the Retirement Board. On November 6, 2025, Final Judgment was entered by the Superior Court. On November 28, 2025, Dubois filed a Petition for Issuance of a Writ of Certiorari in the Supreme Court. **ERSRI's opposition to the Petition was filed on December 17, 2025. Petitioner did not file a reply memorandum and the matter is now pending with the Supreme Court as to whether the Petition for Writ of Certiorari will be granted.**

David Wills v. Employees Retirement System of RI

Newport County Superior Court; C.A. NC-2025-0111

Plaintiff, a Firefighter/Dispatcher for the Town of Portsmouth, appeals the denial of his application for an Accidental Disability Retirement. Plaintiff alleges that he is entitled to an Accidental Disability Retirement, in part, based upon the PTSD presumption included in Rhode Island General Laws Section 45-19-1. The Retirement Board was served with the Complaint on March 18, 2025. ERSRI filed an Answer and Designation of Record on April 3, 2025. A Consent Order was filed on June 30, 2025 setting forth the following briefing schedule: A hearing on the motion to assign was held on November 21, 2025. The Superior Court requested additional briefing from Plaintiff on the issue of subject matter jurisdiction. **On December 16, 2025, Plaintiff filed additional briefing on the issue of subject matter jurisdiction. The matter is now pending with the Superior Court and the parties await a date for oral argument.**

The Retirement Board of the Employee's Retirement System of the State of Rhode Island v. Charles Pearson

Providence County Superior Court; C.A. No. PC-2024-00941; SU-2025-0256-A

This is an action to revoke or reduce Defendant's pension pursuant to the Public Employee Pension Revocation and Reduction Act. Defendant, a former teacher employed by the State of Rhode Island Department of Children, Youth, and Families Training School and the Cranston School District, pled *nolo contendere* to several felony charges related to second-degree sexual assault of

students at Cranston High School West. ERSRI filed a Motion for a Show Cause Order seeking to compel Defendant to show cause as to why any retirement or other benefit to which he is otherwise entitled should not be withheld pending adjudication of this action. Mr. Pearson answered the Complaint, and a Consent Order was entered on March 25, 2024, in which he agreed to the suspension of his retirement and other benefits pending adjudication of the action. Mr. Pearson served a subpoena on the Cranston School Department seeking his personnel file and the records have been produced. Mr. Pearson filed a motion for summary judgment as to the applicability of PEPRRA to the charges that he pled *nolo contendere*. ERSRI filed its objection to the motion on February 28, 2025. Oral argument on the motion for summary judgment took place on April 9, 2025. The parties also filed supplemental briefs after the hearing. On April 30, 2025, Judge Christopher Smith determined that the language of PEPRRA was ambiguous, and applying rules of statutory construction to arrive at the intent of the General Assembly, determined that PEPRRA was not intended to capture felonies such as second degree sexual assault. As of the drafting of this update, an Order has not yet entered on Judge Smith's decision. On July 24, 2025, ERSRI filed an appeal to the Rhode Island Supreme Court. The appeal has been docketed. ERSRI's Rule 12A Statement is due October 9, 2025. The matter was also terminated from the Supreme Court's Mediation Program, as the Mediation Program determined it was not a case amenable to mediation. ERSRI submitted its Rule 12A Statement on November 7, 2025. **Pearson's Rule 12A Counterstatement was filed on January 5, 2026. The parties now await a date for a Rule 12A Conference.**

**The Retirement Board of the Employees' Retirement System of the State of Rhode Island
v. Paul LaFrance
Providence County Superior Court; C.A. No. PC-2016-1524**

This is an action to revoke or reduce Mr. LaFrance's pension pursuant to the Public Employee Pension Revocation and Reduction Act. Mr. LaFrance, a former teacher for the Warwick School Department, pled *nolo contendere* to felony charges related to third degree sexual assault of a student. An Answer to the Complaint has been filed, and the parties are engaged in discovery. The depositions of Mr. LaFrance and his wife, who is asserting a claim to some or all of his pension benefits as an innocent spouse, were conducted on November 16, 2023. On May 1, 2024, a hearing was conducted pursuant to R.I.G.L. § 9-8-5. ERSRI advised the Court that this matter is being actively pursued and the matter was ordered to remain open. ERSRI has requested supplemental documentation from Mr. LaFrance and Mrs. LaFrance in support of their innocent spouse claim. This matter was assigned to Judge Raspallo. **On December 18, 2025, ERSRI filed a Motion for Partial Summary Judgment. A hearing thereon will be scheduled once Defendant files a response.**

Mr. Greene and Ms. Howell jointly filed the Verified Complaint, alleging that both believed Nicolle's intention was to change the beneficiary designation prior to her passing, such that Mr. Greene would be the named beneficiary. In order to effectuate the change in beneficiary, ERSRI requires an order of the Superior Court. Plaintiffs' have filed their Verified Complaint and ERSRI has filed an Answer.
