

ERSRI Memorandum

Date: December 9, 2009
To: Retirement Board
From: Frank J. Karpinski, Executive Director
Subject: Post-Retirement Employment Reports

Enclosed are the listings of reported retirees working under the various post-retirement employment statutes. "EE" days are number of days reported by the Employee; "ER" days are the number reported by the Employer.

Non-substitute teacher positions must be certified by the school as posted but unable to be filled with a non-retiree. Certification letters received and the position are indicated on the school reports by "CL" (or noted as needed).

The departments with retirees marked "non-sub; need ltr" and those whose positions are not indicated are contacted yearly and instructed to provide the necessary certification letters for the position.

Teacher retirees who substitute are indicated by an "S," and Municipal retirees returning to work in a school system are indicated as "M" on the school department reports.

Retirees in "bold" are working for more than one department or in more than one position.

Persons exceeding the statutory limitations are notified by mail and provided an opportunity to dispute the reports received by this office, prior to 'docking' or suspension of their benefit.
