Gayle,

The Mayor left a message for you to contact him. If possible, give me a call first, my cell is 996 1020 and i'll explain.

As part of an ongoing investigation, we need the 3 highest salary years that were used to calculate the pension amount for Steven Catanzaro in 2006.

Also, as a general question, was the formula back then the highest 3 years? or last 3 years? Finance has found a large discrepancy in salary for 2001, that may have caused this pension to be calculated too high and they want to correct it.

TY
